Foe Ridicules Charge by Governor

LITTLE ROCK (AP)—H. E. Wil-
liams fired a salvo of ridicule to-
day at Gov. Orval E. Faubus' charges that he had criticized veter-
ans medical benefits, welfare
programs and the Rural Electrifi-
cation Act.

The candidate for governor said
Faubus, who seeks a fourth term,
"must be frantic when he turns
to such misleading and false state-
ments."

Williams said he had never criti-
cized the services.
Faubus made charges along this
line at a Portia political rally
Monday.

In a statement issued at his Lil-
le Rock campaign headquarters,
Williams said he assumed Faubus
was reputed to be quoting from a
fictional Administration.

Walnut Ridge educator,
Williams said that in his speech,
titled "America's Point of No Re-
turn," he had pointed out several
evidences of a socialistic trend in
the United States. But he said he
did not pass judgment on any
"socialized activities."

Getting specific, the head of
Southern Baptist College said he
had never "published nor publicly
made one criticism of REA." He
offered to pay Faubus \$1,000 if he
could prove the contrary.

"The only thing I would do to
change REA would be to see that
the farmers get what they want
as they pay for it in their rates,"
Williams said.

"On welfare, the candidate said
he had nothing against the Wel-
fare Department "but hopes that
it does not destroy an incentive
to save or to carry insurance."

He said he would like to take
the agency out of politics "so that
no other demagogue, such as Mr.
Faubus, would every play politics
with it again."

As for veterans benefits, Wil-
liams said he favored "every prac-
tice rendered our deserving vet-
erans at all times." He added that
he personally had provided train-
ing for more than 3,000 veterans
and helped them get jobs.

Ike Rejects Rockefeller's Contention

By MARVIN L. ARROWSMITH
WASHINGTON (AP) — Presi-
dent Eisenhower today rejected
New York Gov. Nelson A. Rocke-
feller's contention that America's
military strength has deteriorated.

At a news conference, the Presi-
dent also accused Soviet Premier
Nikita S. Khrushchev of very
crude attempts to interfere in this
country's presidential campaign.

Eisenhower voiced confidence
that neither Democrats nor the
Republicans will find the Kremlin
leader's advice of any value.

As for Rockefeller, Eisenhower
was reminded that the Republi-
can governor has been critical of
the administration in the econom-
ic as well as military fields, and
has contended that U. S. military
strength has declined while Rus-
sia's has increased.

The President commented that
since 1953 he has sent eight bud-
gets to Congress. Five, he said,
were cut by Congress and three
increased—in each case in elec-
tion years.

The President said that by and
large the Democratic-controlled
Congress has agreed with his
Republican administration on mil-
itary spending.

Saturday Old Timers Day at Emmet

EMMETT, Ark. — It's almost
here!

All roads will lead to Arkla
Village here this Saturday for
Hempstead-Nevada Counties Old
Timers' Day. Final preparations
have been made for the gala
event, believed to be the first
special salute to old timers of
its size ever held in southwest
Arkansas.

Interest in Old Timers' Day has
been heightened with the an-
nouncement that Gov. Orval E.
Faubus has accepted an invita-
tion from the Hempstead-Nevada
Counties Old Timers' Day Com-
mittee to be one of the main
speakers on the Saturday after-
noon program.

State Sen. Ole Hendrix, of
Prescott, chairman of the two-
county committee said he had
been notified by the Governor's
office in Little Rock that Gov.
Faubus is scheduled to arrive
at Arkla Village around 4 p. m.
Saturday. It was emphasized that
the Governor's brief appearance
will be non-political and will be
to help pay tribute to the state's
loneers. The subject of his talk
will be "What Arkansas Owes
Its Old Timers," Hendrix an-
nounced.

Other dignitaries on the after-
noon program will include For-
mer Nevada County Judge Ran-
dolph P. Hamby, of Prescott;
former Arkansas attorney gen-
eral Jack Holt, of Little Rock;
and W. R. Stephens, of Little
Rock, board chairman and presi-
dent of Arkansas Louisiana Gas
Co., which owns and operates
Arkla Village.

Festivities get underway at 2
p. m. Saturday with a three-hour
program in the Village arena that
will include gospel singing and
fiddling contests, country music
by the famed Louisiana Hayride
band, free buggy rides, a com-
munity sing, talks by the various
dignitaries, and other entertain-
ment. An old-style "Dinner-on-
the-Ground," with visitors invit-
ed to bring their own picnic sup-
pers, is scheduled for 5 to 7 p.
m. Food and soft drinks also will
be sold on the Village grounds.

The nationally-known Louisiana
Hayride radio show will broad-
cast right from the Arkla Vil-
lage arena from 8 to 11 p. m.
over Stations KTIS, Little Rock,
and KWKH, Shreveport.

Special prizes will be awarded
to the winning gospel singing
groups and fiddlers, including a
chance to appear on the Louisiana
Hayride show. A final deadline of
4 p. m. Thursday, July 7, has
been established for contestants
to register with the Old Timers'
Day Committee. Those still wish-
ing to participate are asked to
contact Elmer Brown in Hope at
PIR-357 or PI-R-357 or PI-R-357
before 4 p. m. Thursday.

Contestants from throughout
southwest Arkansas are invited
to take part.

Prizes also will be given to all
Arkansas old timers who attend
in the following categories: the
eldest, the couple present who
has been married the longest,
the old timer with the most
generations present, the old
timer wearing the most authen-
tic costume, the single horse
rider who rides the farthest to at-
tend Old Timers' Day and the old
timer with the horse-drawn car
judged to be the most
handsome. A special booth will
be set up at which all old timers
in the state and musical contestants are ask-
ed to register.

Sugar Imports From Cuba to Be Slashed

By LEWIS GULICK
WASHINGTON (AP) — Presi-
dent Eisenhower was reported
today to slash U. S. sugar
imports from Cuba which have
paid big premiums to Cuban
growers.

Administration sources said Ei-
senhower was prepared to act on
grounds that Cuba no longer has
the needed dependability as a
sugar supplier that she had be-
fore Prime Minister Fidel Castro
took over.

This avoids the implication that
cutting Cuba's sugar quota is hit-
ting back at the anti-American
Castro regime. Eisenhower has
pledged against "U. S. reprisal,"
which might not look good to
sensitive Latin American repub-
lics.

Congress cleared the way for
action before adjourning last
weekend when, at Eisenhower's
insistence, it stayed late to pass
a new sugar bill giving him pow-
er to reduce the Cuban quota.

Sugar industry informants ex-
pected the President to sign the
new bill and at the same time
proclaim a cut of perhaps 700,000
tons.

This would practically end
further Cuban sugar shipments to
the United States this year, since
Cuba has already shipped all but
about 740,000 tons of her 1960 U. S.
quota of more than three million
tons.

The Agriculture Department
Tuesday halted further shipments
of Cuban sugar to this country
until Eisenhower acts.

Cutting Cuba's quota would be
the most severe U. S. action yet
against the left-wing Castro gov-
ernment. So far Washington has
limited itself mainly to diplomatic
protests and public pronounce-
ments against Castro's anti-Ameri-
can activities—only to see Ha-
vanna swing closer to Moscow.

Under the U. S. sugar buying
system, Cuban growers get a
premium of about 2½ cents a
pound on the sugar they sell to
this country. In past years, this
has meant a subsidy of about 150
million dollars annually to Cuba.

Trimming Cuba's quota by
700,000 tons could cost Cuban
growers 35 million dollars in lost
U. S. subsidies. Their loss would
be even greater if they are unable
to sell their produce elsewhere.

President Says U.S. Will Act to Protect Interests in Cuba

Castro Set to Take Over All U. S. Property

By ROBERT BERRELLEZ
HAVANA (AP)—Fidel Castro's
Cabinet today authorized him to
expropriate all American property
in Cuba and pay for it only if
the United States buys more—not
less—Cuban sugar at premium
prices.

The new seizure decree, drafted
by the Cabinet at a session last-
ing beyond midnight, authorized
President Osvaldo Dorticos or the
prime minister to take over any
property owned by U. S. compa-
nies or citizens in Cuba "when
deemed necessary in the national
interest."

The law also provides for ex-
propriation of companies in which
U. S. citizens may have "interest
or participation." An example is
the British-Dutch Shell Oil re-
finery whose operation — along
with the U. S. Esso and Texaco
refineries — was taken over by
the government last week.

The Cabinet said the expropria-
tion was authorized because of
"the constantly aggressive atti-
tude" of the U. S. government and
particularly the authority given
President Eisenhower by Con-
gress to reduce Cuba's sugar
sales to the United States.

Underlining the retaliatory na-
ture of the action, the decree
promised compensation for the
seized property directly to Ameri-
can sugar purchasers.

It said the American owners

In Event Russia Sets Up a Sub Base There

WASHINGTON (AP) — Presi-
dent Eisenhower said the United
States will act as it sees fit—if
necessary—to protect its interests
if Russia establishes a submarine
base in Cuba.

He said, however, he does not
regret the setting up of a Soviet
submarine base as a likelihood,
but such a thing is a possibility.

Eisenhower was asked at his
news conference whether he
agrees with a statement by Sen.
Lyndon B. Johnson (D-Tex.) that
the United States might look for
the establishment of such a base.

The President said he was not
going to make any guesses about
such a possibility. Such things are
always possible in this world, he
said, but he doesn't see much
likelihood.

As to what the United States
might do in such an event, Eisen-
hower drew attention to the Car-
acas resolution for mutual de-
fense of the Western Hemisphere,
and to the machinery of the Or-
ganization of American States.

Eisenhower said the OAS would
no doubt come into play but that
in its own interest, this country
might have to act as it saw fit.

Eisenhower said he did not
want to talk at the moment in de-
tail about what U. S. policy might
be in view of the Fidel Castro
government's new law for exprop-
riation of American property.

He said the new sugar bill, giv-
ing him authority to cut the Cu-
ban quota, reached his desk along
with reports and studies by the
appropriate departments only a
few minutes before the news con-
ference. He said he thought some-
thing would be said on this sub-
ject either later today or Thurs-
day.

Eisenhower said this country is
trying hard to have the Cubans
understand that there is no quar-
rel between the people of this
country and them but that the dif-
ficulties are caused only by what
he called the inexplicable actions
of their government.

The discussion came up as Ei-
senhower was reported prepared
to slash U. S. sugar imports from
Cuba which have paid big premi-
ums to Cuban growers.

Nikita Makes a Threat to Austria

VILLACH, Austria (AP)—Soviet
Premier Nikita Khrushchev im-
plied today that Soviet troops will
march into neutral Austria if
American rocket bases in Italy
are used against Soviet bloc coun-
tries.

Following up his statement in
Salzburg that the Soviet Union
"will not remain idle if Austrian
neutrality is violated," he said at
a luncheon given in Klagenfurt by
the governor of Carinthia Provin-
ce: "One cannot help becoming
aware that the presence of Ameri-
can rocket bases in northern
Italy, if they are used against
the Socialist (Communist) coun-
tries, would presuppose a viola-
tion of Austrian neutrality."

Listeners concluded that Khrush-
chev meant that the U. S. S. R.
would consider it had the right to
march across Austria toward the
Italian bases on the pretext of
protecting Austrian neutrality.

Khrushchev made his threat as
he suddenly cut short his tourist-
like trip of the Austrian provinces
to return to Vienna tonight, and
ahead of schedule. Austrian gov-
ernment sources said more time
was needed for talks between
Khrushchev and Chancellor Julius
Raab.

SAN ANGELO, Tex., (AP) — A

ably will be called within a few
days unless contract agreement is
reached, a union spokesman said
yesterday.

A representative of the Com-

said a vote had been canvassed.
He said the vote supports the
bargaining committee "even to
the point of a strike, if necessary."

Federal Mediator Walter White

now in their 11th week.

The talks center around num-

Mama "Runs Around"; Daughters Disapprove

By HELEN WORDEN ERSKINE

I am 13 and my sister 15. Our mother and father have not got along for some time. Mom is running around with another man. This is giving us a bad name. My father does not like it either. My sister and I have boy friends. Lately they have acted strange. I know this is on account of my mother's actions. Please tell us what we can do. Our boy friends come from good families. — Worried friends take a holier-than-thou attitude, the rift will widen. Yall help.

Dear Worried: Whatever your mother does, she rates understanding and love from her daughters. In passing judgment, you and your sister are handicapped by youth, inexperience and ignorance of what has really gone on between her and your father. The fact that she runs around with another man is a symptom, not a cause. If you and your boy friends take a holier-than-thou attitude, the rift will widen. Yall help.

P.S. A minister will be of no help.

Dear Helen Worden Erskine:

I have a brother, a widower in his early sixties. His wife has a cousin who is in her early forties. She has a 12-year-old daughter. She also has a summer cottage at a resort and is a divorcee. She tells everybody my brother is her cousin. He spends the night with her and her daughter once in while at her cottage. I say it is wrong. But she seems to think it is all right and makes him believe so too. Is my thinking old-fashioned? I want to show your answer to my brother. — Miss A.

Dear Miss A: If your brother is living with the divorcee, that would be contrary to convention. But is he? Having lived 60 years, he should know by now what he is doing. You can only surmise. Be tolerant. Unless he seeks your advice, don't give it. If he does, mix the advice with human kindness. For all you know, this friendship may be purely platonic.

Dear Helen Worden Erskine:

I have been separated some months from my wife but have the right to visit my daughter. Unfortunately, there have been no exact terms in the agreement.

Dear U.S.: In the United States, there is the Legal Aid Society, in Canada, each local or County Bar Association has a Legal Aid Committee. Both groups are eminently qualified to handle problems such as yours. Next time don't sign until you know what you are signing.

Send your problem to Helen Worden Erskine. Be sure to enclose a stamped, self-addressed envelope, and address her in care of this newspaper.

Three Starters Fail to Win for Yankees

By ED WILKS

Associated Press Sports Writer

Maybe this isn't going to be such a cinch pennant for the New York Yankees after all. Not when they use three starting pitchers in one game and get beat. And not when they lose two in a row for the first time in more than a month, but find their American League lead whittled to one game. That's what happened when

Lake Hamilton: High and clear. Bass fair to good on artificial bait. Crappie fair to good on minnows. Bream fair to good on crickets and worms.

Bull Shoals Lake: Water condition good. White bass fair on artificial bait early and late. Catfish good on worms and trot lines.

Lake Conway: Bream good on crickets, worms and popping bugs.

Lake Norfolk: Clear. Black bass slow to fair on jigs and cels. Catfish fair to good on trot lines and reels and rods.

they were held to three hits by Pete Ramos and Chuck Stobbs, blew a 3-0 lead and lost 5-3 in 10 innings at Washington Tuesday night. Art Ditmar, who had won five straight, was tagged for the loss after following Ralph Terry and Bob Turley to the mound.

After dropping only eight of 30 games in June, the Yanks now have lost two of five in July. That's not exactly a total collapse, but both losses were to the sixth-place Senators and they now lead second-place Cleveland, idle Tuesday, by just one game.

They're also just two lengths ahead of the third-place Baltimore Orioles—who rapped Boston 9-4 in the only other game scheduled in the AL—going into the opener of a two-game set at Baltimore tonight. The Indians play six games in five days with Chicago's fourth-place White Sox, beginning with a two-game series at Cleveland.

In the National League, Pittsburgh regained a 4½-game bulge by beating second-place Milwaukee 5-4 in 10 innings after being shut out for eight frames. The Los Angeles Dodgers whipped third-place San Francisco 8-0 behind Johnny Podres' four-hit pitching. St. Louis trimmed the Chicago Cubs 3-2, and Philadelphia beat Cincinnati 2-0 as Robin Roberts came up with a four-hit

A two-out single by Reno Bertoia and Bob Allison's follow-up 10th homer beat the Yankees and Dimar (7-4). The Senators scored in each of the last four frames, tying it on Maye Thronberry's pinch single off Turley with two out in the ninth.

Stobbs (6-2), the long-abused southpaw, won his third in a row with two perfect innings of relief for his 69th victory in a 14-year career. Only 31, he has lost 122 in that span and hasn't had a winning season since 1953.

Baltimore picked up three unearned runs in the second inning at Boston against loser Tom Brewer (5-7) then clinched it with two runs in the fourth on singles by Mary Breeding, Jackie Brandt, Gene Woodling and in Gene Chatter Estrada (9-4) was the winner.

Podres Licks Giants; Cards Down the Cubs

By ED WILKS

Associated Press Sports Writer

The way the top clubs are using starting pitchers in relief these days, you'd think it was the final week of the pennant race in the National League.

Even the first-place Pittsburgh Pirates have fallen into the trend, calling on Bob Friend for a save Tuesday night as they beat Milwaukee 5-4 in 10 innings on Rocky Nelson's second home run for a 4½-game bulge over the second-place Braves.

The Pirates shut out for eight innings, hadn't called on a starting pitcher for relief all season. But it's nothing new among the Braves or the third-place San Francisco Giants.

Mike McCormick, making his fourth appearance in six days, was no match for southpaw Johnny Podres, who allowed just four hits as Los Angeles whipped the Giants 8-0. St. Louis defeated Chicago's Cubs 3-2, and Philadelphia beat Cincinnati 2-0 behind a four-hitter by Robin Roberts.

In the American League, Washington trimmed New York's lead over idle Cleveland to one game by beating the Yankees 5-3 in 10 innings. Second-place Baltimore moved within two games of the top with a 9-4 victory at Boston in the only other game scheduled.

The Pirates cracked Carl Willey's six-hit shutout with three runs in the ninth on Nelson's leadoff homer, a walk and Don Hoak's home run. The Braves then almost won it in their ninth. Del Crandall tied it with a bases-loaded single, but when Eddie Haas tried to score from second on the hit, he was nailed at the plate by Bob Skinner's peg from right field.

Nelson finally beat Joey Jay (2-5) with his fifth home run of the season, coming after Skinner singled past second baseman Al Dark with two out. Friend saved it for Paul Giel (2-0), getting the last two outs.

Podres (8-6) struck out seven and walked two while beating the Giants. He ended Willie Mays' hitting streak at 19 games. McCormick (9-5) was beater in the fourth when Junior Gilliam doubled, went to third on an error and scored on a wild pitch—the Dodgers' first run off the Giel lefty in 22 innings this year.

An eighth-inning triple by Bill White broke a 2-2 tie for the Cards as they knocked off Don Cardwell (4-6) in their first rematch since he beat them with a no-hitter May 15. Lindy McDaniel (4-3), the loser in the no-hitter, won it with 2-3 innings of one hit relief.

Roberts (5-7) walked one struck out one and retired 19 in order at one stretch while winning his fourth in a row. The Phils handed Don Newcombe (3-6) his fifth straight loss when they jumped his one-hit shutout in the sixth on Ruben Amaro's single and a double by ex-Red Tony Gonzalez.

GOOD OLD SHIMMER TIME — The twilight's last gleaming sets the ripples aglow on the lake at Sun Valley, Idaho, as the sun sets behind the Sawtooth Mountains. What would make a gleam in Dick Haskell's eye is the sight of a silvery-sided rainbow trout leaping at the end of his waiting line.

To blend with the brilliant citrus color of summer, this girl chooses a coral nail polish with matching lipstick. Another tip: color for both polish and lipstick this summer is violet-pink.

Goldfine Goes to Prison for Contempt

BOSTON (AP) — Millionaire industrialist Bernard Goldfine, 60, who once boasted of friends in high places, today went to a federal prison to serve three months for contempt of court.

His secretary, Miss Mildred Paperman, 42, was jailed for 10 days for a similar offense.

The immediate imposition of sentence followed a denial by U.S. Dist. Judge Charles E. Wyanski of a personal appeal by Goldfine and legal maneuverings by defense counsel which reached as high as the U. S. Supreme Court.

Judge Wyanski also denied last-minute appeals of Goldfine's counsel for a reduction of sentence and a stay of execution.

Goldfine accepted sentence calmly. Miss Paperman was red-eyed.

The contempt charge was based on the failure of Goldfine and Miss Paperman to turn over company books and records to investigators during an income tax probe.

The books later were given Internal Revenue Service investigators, but the court ruled the pair did not comply before a deadline set by the court.

Goldfine and his secretary eventually were indicted on income tax charges involving more than \$800,000. They are to stand trial Oct. 3.

Goldfine publicly has listed as among his "personal" friends such public officials as Sherman Adams, resigned chief aide to President Eisenhower.

Goldfine said his friendship with Adams was on a gift-exchanging level, but denied his gifts ever were intended to influence the recipient.

Goldfine went to the federal correctional institution at Danbury, Conn., to serve his sentence.

Miss Paperman, although also a federal prisoner, was sent to a county jail in nearby Cambridge, Mass.

Adams also denied Goldfine's gifts were intended to influence him. He said Goldfine never sought any favors from him.

It's easy to be annoying at an intersection. Just jog your car back and forth while waiting for the light to change. Foot traffic will be confused and have to wait till you're gone.

Courteous drivers, however, know that it pays to think about the other fellow. We are always interested in talking automobile insurance with courteous drivers because they are the careful drivers.
